

Not-for-Profit Home Security Social Enterprise with Charity status

FREE Home Security Assessment

Community
& Support
Against
Crime

Do you have adequate home security?

Police are recommending the replacement of vulnerable uPVC/Composite door locks with Snap Secure TS007 3 Star Standard euro cylinders and high security door handles tested by CASAC.

"People need to be made more aware of these locks."

Mrs Parker

Our wide range of security measures will ensure that you feel safer within your home.

CASAC has worked on Burglary Reduction projects with local communities, the Police and statutory agencies for over 11 years, securing more than 60,000 properties.

Our FREE home security assessment will check the security of uPVC/Composite euro cylinder and wooden door locks. We will also assess the locking systems on windows. Our qualified Safety Engineers can advise you on the following:

- Snap Secure euro cylinder door locks
- Door and Window security
- Burglar Alarms and CCTV
- Security Lighting
- Grills
- Garage and Shed security
- Key and Home safes
- FENSA registered to fit new Doors and Windows

Less than 0.01% of properties have been a victim of repeat burglary, where access has been gained through security products fitted by CASAC.

FREE, NO OBLIGATION Home Security Assessment **0845 519 2122** (local call)

Our Profits go to Charity

We are dedicated to improving community safety. Our profits are invested in tackling some of the root causes of crime. Previous charitable work has included delivering projects that address weapons crime, prostitution and anti social behaviour. We are proud to support Neighbourhood Watch.
